Parent-Teachers-Students' Meeting

Discussion & Observations of Parents about Academic Affairs:

1. The Parent-Teacher-Students' Meeting has been held today sucessfully, where 16 person were present in this meeting, including 6 guardians of student. The overall impressions of the guardians was almost good enough to our expectations. All of them were hopefully satisfied and impressed to our Dept. of Philosophy and about our institution. Moreover some of our beloved students ~~are~~ have suggested for a good proposal that they want a seperate department independently for their academic environment. And the meeting has been ended with vote of thanks by our departmental teachers.
