- In case of failure in electronic submission, examinees must submit the same to their respective colleges within stipulated time (as mentioned in the exam schedule) of each day's examination and collect receipt of submission from the college end.
- Although students will take examinations from home, they will come under the purview of disciplinary measures on the basis of examiner's report in case any of them writes/ posts anything that might compromise the sanctity of the system which depends mostly on trust and responsibility of learners.
